Important Instructions Regarding IV Sedation

- 1. Do NOT eat or drink anything (including water)** after midnight prior to surgery.
- You should take regular scheduled medications with a sip of water unless instructed otherwise by Dr. Erickson
- Please remove nail polish, acrylic nails or no chip nails.
- Please do not wear contact lenses on the day of surgery.
- Please wear either a T-shirt or a button down shirt on the day of surgery.
- You **MUST** have someone drive you home and **remain with you for 24 hours.**
- Plan to rest the remainder of the day. Do not drive, operate power tools, machinery, etc., for 24 hours after the surgery.
- If you develop a fever, cold (runny nose, cough congestion) or flu symptoms before the procedure, call the office at 630-909-0500. We may need to reschedule the procedure.
- If you use an **inhaler** for any reason for asthma, please bring with you on the day of your procedure.
- If there have been any changes to your health history or any changes to your **medications** since your last appointment, please notify the office prior to your scheduled procedure.
